Kxg19@case.edu

Why is the DNP important to you?

My DNP has allowed me to have the knowledge, skills and confidence to make meaningful contributions to the nursing profession. I have become an emerging writer, leader and innovative thinker.

Career Highlights:

VA Quality Scholar Fellowship
Contributing Author SQUIRE Guidelines Explanation and Elaboration
PCORI Ambassador

Why are you involved with QSEN?

Quality in healthcare is foundational and yet complex. QSEN is an outstanding organization which provides a framework and facilitates the knowledge, skills and attitudes required for quality in nursing and beyond. QSEN provides competencies, education and a network that aligns and supports integration of quality methods, tools and examples for education and clinical practice. By being an active member in QSEN I feel I can make necessary, relevant contributions to healthcare on a broad scale.
